

Summer 2008 at The Handwriting Clinic!

Please note – **call to get updated information** (we will add a few more camps after these classes fill). Camps may close without any notice. If you talked to staff about a class being open, it may close unless you specifically have put a hold on your child's place in class by putting a deposit on the class. We can "hold" classes without a deposit for 1 week, as long as you have given us the registration information to specifically place a hold, and at Karen's discretion. We will add camps based on waiting lists. If you cannot get into a camp, please get on a wait list for each desired camp session that works in your schedule, by talking with Karen 972 633-1974)
