Come one FRIDAY, Come ALL FRIDAYS!! You decide!

Fine Motor Gymnastics: Ages 4 - 6

Each session will feature a fun group sensory activity, a group art project, and participation in fine motor, tongs, scissors skills, and coloring labs—will rotate through 4 - 6 activities in each center. A fun camp for students who need work on fine motor skills! Sensory breaks will be given in our multisensory gym. Very structured. Lead by a grad student in OT. Aides will shadow—ratio of 1:3 students max. Goals are to work on fine motor development, graphomotor development through FUN activities. Please bring a snack/drink for your child. Parent must call and schedule for each Friday their child will attend, as space is limited. Pre-registration is required so that we can plan staffing needs. \$50 per session Ages 4 - 6. Fridays - 9 - 11

June 26, July 3, July 10, July 17, 24, 31 August 7

Art Power!

Students will participate in drawing animals, cars, pets through linear , sequential drawing activities. They will use mediums such as charcoal, watercolor pencils, paints, and pastels to complete their art projects. Students will complete a project, as well as rotate through fine motor labs, and participate in some fine motor games. Students will learn facts about animals, and work on writing sentences about their animals. Modifications will be made for students who need help with writing. Focus will be on grasp development, eye hand coordination, and development of coloring skills. Students will be given a schedule card of activities each day. Very structured, staff ration of 1:3 students max. Please bring a snack/drink for your child. Parent must call and schedule for each Friday their child will attend, as space is limited. Pre-registration is required so that we can plan staffing needs. . Ages 1st - 5th grade. \$50 per session. Fridays 12:30 - 2:30

June 26, July 3, July 10, July 17, 24, 31 August 7

Intense Multi-sensory Writing Camps:

We will pair 2 students together, for multisensory handwriting camps. Students need to have readiness skills - write their name, starting to write some letters, attention span of 3 - 5 minutes per task (with redirection to task ok). . Go through the First Strokes Print Program, using multisensory handwriting activities. Intense program M - Th for 2 weeks, 1 hour per day. If you have a friend who has a child your child's age, you can pair your children together. We need \$100 nonrefundable deposit per child to hold this camp spot. Deposit will be deducted from class fee. Cost is \$400 per child. Ratio is 1 staff member to 2 students max. This camp will be led by one therapist, but may include 4 students with an OT grad student. Students will rotate through multisensory writing labs. Cannot bill insurance. Parents are responsible for the entire camp fee.

This camp is available for camp sessions 2, 3 and 4 only. Morning times 9:00 - 10:00 best, as late morning, afternoons M - Th are just crazy - a zillion students in the clinic, and heavy use of the labs.

Private therapy for graphomotor skills available also on Fridays with an occupational therapist. \$50 per 1/2 hr, \$90 per hour.
